“I want to thank the whole community of Bradford and all the heroic volunteers for making our aid convoy to Gaza in Feb a great success. But our work must not stop. The suffering of our brothers and sisters in Gaza continues and as the winter approaches, they need our support again.

My team and I are organizing our second aid convoy to Gaza in December. Please join us and Support us, lets make this aid convoy even bigger and better.

Bradford stands proud as being at the forefront of this historic event. I am forever proud of the solidarity shown by everyone to help rebuild Gaza. Come join us and lets make history”.

George Galloway Respect MP

“They said it couldn’t be done, but we did it”.

Our hero volunteers drove 10 000 km from Bradford to Gaza travelling across three continents and delivered aid to Gaza worth over £1.5 million. Including ambulances, fire engines, mini busses, vans and even a boat, crammed with clothes, toys, food, medical supplies, wheelchairs all donated by the generosity of the people of our communities.

I am determined that on the 5th of December we will be setting off from Bradford again with an even bigger group of volunteers. Come join us on this historic, educational and life changing journey.

Please call me or our support team for more details.
