VIVA PALESTINA

BREAK THE SIEGE OF GAZA

After the success of the UK convoy in February and the US convoy in July, the next Viva Palestina convoy is going to be a huge international gathering to deliver more aid to the people of Gaza.

Travelling via France, Italy, Greece, Turkey, Syria, Jordan and Egypt, we'll be working with more organisations, taking more people from Europe and the US and carrying even more desperately needed aid to Gaza.

And we want you to help.
