Dear Mr Galloway,

Thank you for your recent letter detailing the tumultuous passage of the Viva Palestina aid convoy and, of course, thank you very much for undertaking such a large scale humanitarian effort for the people of Gaza.

Our hearts are heavy with sadness as we remember the tragic events of last year but, equally, warmed by the compassion and commitment of individuals trying to make a difference in the lives of others.

I hope that you and your teams are successful in delivering the aid; God knows the people of Gaza need it.

Kind wishes,

Rania Al Abdullah
